

HOME GUARD™

Industries, Inc.

Transferable Lifetime Non-Prorated Limited Entry Door Warranty

Home Guard Industries Inc. warrants to you, the original purchaser, all galvanized US-22 entry doors not to warp, shrink or delaminate for as long as you own and reside in the home in which the products were installed. The door will be replaced at no charge for material cost only if upon inspection, the dealer and Home Guard's field representative deem that the defects were not caused by Abuse, Negligent care or by a Home Invasion.

In order to obtain Warranty service, follow the procedure. Contact the company from which you purchased the door from. Tell them what you believe is defective. Upon inspection by the company who provided you your door, they will contact the manufacturer to report what parts of the door are defective. The Manufacturer reserves the right to further inspect to determine what parts or product is needed to fulfill this Limited Warranty. The Manufacturer fully reserves the right to make changes or discontinue any of its products. The Manufacturer will allow a substitute product of equal value to be chosen in the case of discontinue or changing product. The Manufacturer will ship the replacement parts or product to the company which the purchaser received the product from. The Purchaser may be required to pay for any or all labor required to install new parts

or product. The Manufacturer does not pay for any labor necessary to repair the part or product.

The hinges, frames, threshold, & weather-stripping are Warranted against defects of material and craftsmanship for a period of 5 years from the date of purchase.

Paint and Ironwood Stain finishes are warranted against chipping, peeling, blistering or checking for a period of seven (7) years. Fading is a natural occurring event and is not covered by this warranty. Glass frames are warranted against peeling or cracking for a period of five (5) years. Timberframe and Alumiclاد finished will be warranted against chipping, peeling or blistering for a period of Five (5) years. Painted wood jambs will be done upon special request but are not covered by this warranty.

Glass frames on dark colored entry doors when used behind storm doors are not warranted against warpage or breakage due to heat build up. See order form for colors affected.

This warranty does not cover any door that is stained or painted by the purchaser.

Insulated glass units are warranted for 10 years. Parts deemed defective will be replaced without charge of material. This Warranty does not cover glass breakage, tarnished hardware, faded paint finishes, caulking, abuse, negligent care or by a

home invasion. Condensation on a door may occur as a natural result of humidity within the house or building and changes in interior and exterior temperatures and does not indicate a defective door. This Warranty does not cover condensation, frost or freezing from condensation on doors.

This exclusive Limited Warranty is made to the original purchaser at the address given on the Home Owners Limited Warranty Registration Certificate. The Manufacturer requires a registration certificate to be filled out and returned to Home Guard Industries Inc. within 30 days in order to activate Warranty.

This Limited Warranty is made in lieu of all other express Warranties, and extends only to the original consumers purchase. In no event can Home Guard Industries Inc. be liable for special incidental or consequential damages, or for any delays in the performance of this Warranty, due to circumstances beyond its control.
